**Creative and hardworking editor with varied experience of working to tight deadlines across small independent projects within the AVID & Adobe suites as well as some experience of the media support environment.**

## SKILLS

- Adobe Suite
- AVID Media Composer
- Communication
- Adaptability
- Creative Thinking
- Attention to Detail
- Teamwork

## EXPERIENCE

**Plimsoll Productions** - *Work Experience - Media Support / Edit Assistants*

23rd NOVEMBER 2022 - 25th NOVEMBER 2022.

- I spent a few days with various edit assistants and learned about the responsibilities involved (file organisation, syncing, EDLs etc.) I also got to create a few EDLs myself.
- I saw how the media support team prepared DIT equipment for shoots, the ingesting and backing-up of projects afterwards using the Nexus and Nearline storage systems as well as the LTO tape archiving.

**Future Studios (formerly Barcroft Studios)** - *Video Producer / Editor*

SEPTEMBER 2022 - OCTOBER 2022

- Followed scripts and voiceovers to create engaging and informative videos for a large YouTube audience.
- These videos were for one of their clients, GamesRadar, a large video game news site and YouTube channel.

**Cyhyraeth** - *Horror Short Film - Offline Editor*

AUGUST 2022 - SEPTEMBER 2022

**Maggie' Voice** - *Documentary - Offline & Trailer Editor*

FEBRUARY 2023
